

*Elimination of Barriers -
Recreation Equipment Program*

2

4. How has the Recreation Equipment Program helped your group to start, run or grow programs?

5. Did the REP assist in reducing any barriers that limited your group's ability to offer programming? If so, what barriers to program implementation were reduced?

6. Signature

Please check the box in lieu of signature indicating that the information contained in this follow-up form is true and accurate and endorsed by the applicant organization.

Name and Title:

Date:
